SELECT courses can be taken in two ways: 1) Professional Growth or 2) NAU Credit.

- Which way you take a SELECT course depends upon if you will ultimately need a record of contact hours only or if you will need a record of the course on an official university transcript. Those people working towards fulfillment of emergency certification requirements will need university credit. Teachers working towards re-certification can take the course for Professional Growth contact hours.
- If you are trying to decide if a SELECT class will meet your needs for Special Education certification or re-certification, please contact the Arizona Department of Education Certification Office (1535 West Jefferson Street, Bin 34; Phoenix, Arizona 85007) or call them at Phoenix (602) 542-4367; Tucson: (520) 628-6330. They also have a WEB site at <http://ade.state.az.us/certification/>.
